### New 2010 U.S. Chemical & Plastics Product Catalog Available

**Massillon, OH – April 7, 2010** – U.S. Chemical & Plastics, a division of Alco Industries and a leader in repair, refinish, appearance and maintenance products for the automotive aftermarket, has released an updated catalog featuring its extensive product line.

“Our new catalog includes detailed features and benefits, as well as product codes and descriptions to simplify product selection and ordering,” said Laura Yerkey, marketing manager. “It’s designed as our customers’ single-source for the most popular U.S. Chemical products used in the auto body industry.”

The 2010 U.S. Chemical & Plastics Product Catalog is conveniently organized by category and includes:

- Refinishing products, including primers, clearcoats and European finishes
- Premium, lightweight and specialty body fillers
- Exterior and specialty masking products
- Hardeners, additives and dispensers
- Truck bed liners and accessories
- Finishing and glazing putties
- Fiberglass repair
- Accessory items

The catalog may be viewed electronically at [www.USChem.com](http://www.USChem.com) under "Reference". To request a printed copy, contact customer service at 1-800-321-0672, ext. 312.

Founded in 1950, U.S. Chemical & Plastics is internationally recognized for formulating and manufacturing premium body filler and refinishing products. U.S. Chemical & Plastics is a privately owned, ISO 9001:2008 Certified corporation headquartered in Massillon, Ohio.
